WELCOME TO OUR SALE

Memo From The President

Friends of the Breed,

It is with great pleasure that I extend my personal invitation to our first official joint Missouri Shorthorn/Polled Shorthorn Spring Show and Sale.

I also would like to take this media to thank all our consignors for their very cooperative efforts in making this sale a good one. The Sale Manager informs me of the outstanding consignments from all sections of the state. Making this a well balanced sale of both Polled and Horned Cattle.

This is an indication of what Missouri Cattleman may expect this year and in the future. Insuring our hopes that the consolidation will make Shorthorns/Polled Shorthorns stronger in Missouri.

Be with us Sale day whether you are a prospective buyer or just a spectator, you are most welcome.

Faithfully yours,

Chris Bertz, Jr.

C.R. Bertz, Jr., President
Mo. Shorthorn/Polled Shorthorn Assn.

Sale Manager's Message

The 1964 state show and sale is certainly one of the best ever.

The cattle are well divided in regard to Polled and Horned cattle. The bulls are a very strong lot, with plenty of age that need no waiting - quality to spare. The progressive minded will find performance tested, official weights, semen, and fertility tested bulls.

Breeding, bloodlines cannot be surpassed anywhere. There will be bulls for the farmer - bulls that will meet the mans interest in cross breeding, and herd bull material good enough to go anywhere.

Our females are of the best; bred to the best. If you are just starting your selection here will not be a miss. They are bred to bulls that cost thousands of dollars and proven sires. This sale will be one of the few opportunities anywhere to get so much quality and quite probably at an investment that cannot be called poor judgement.

Be with us at our Banquet the preceeding evening and make it a must Saturday, March 21st to bring yourself and your friends. Our welcome is unlimited!

Respectfully yours,

R.B. Dick Karst

R.B. "Dick" Karst, Sale Mgr.

Standard Guarantee

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer, will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

General Information

TIME: The show will be held at 9:00 A.M. and the sale promptly at 12:30 P.M., Saturday, March 21, 1964.

LOCATION: The sale will be held at the Brunswick Sale Pavilion, Brunswick, Missouri. Owned by V.H. Meyer.

ACCOMMODATIONS: Riverside Motel or the Florence Hotel. Sale headquarters is the Riverside Motel.

TERMS: The terms of the sale are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will assist in loading, and helping buyers obtain transportation.

HEALTH: All cattle will be tested for T.B. and Bangs within 30 days of the date of sale, and health certificates will be provided for all animals. Interstate health papers will be provided out of state buyers, so that cattle can go into any state. All cattle are sold subject to a sixty day retest for Tuberculosis.

GUARANTEE: The Standard Guarantee printed in this catalog.

FOOTNOTES: Were written by the consignors or information supplied for them.

MISCELLANEOUS: Neither the Sale Manager, Clerk or Missouri Shorthorn/Polled Shorthorn Association will be responsible for any accidents during the course of this show and sale, but will make every effort for the safety and comfort of the buyers and consignors.

Show & Sale Classification

This show is co-sponsored by the Department of Agriculture and the Missouri Shorthorn/Polled Shorthorn Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

CLOVERINE CAPTAIN DALE x - A thick, dark red son of Cloverine Master Dale, a Reserve Champion at the Missouri State Sale at Rockport. His dam is a pretty roan granddaughter of Calrossie Captain John. Her 1963 heifer calf, a half-sister to this bull, is one of the top calves for that year. Captain Dale was the highest scoring calf we raised in our performance-testing at weaning in 1962. He would have still done o.k., but we didn't put him on any official 140 day feeding test. He is not highly fitted, which is to the buyer's advantage.

VV PRESIDENT 37TH X

This unretouched snapshot will show the great head, bone and substance of this former Omaha grand champion and top selling bull. Buy his 5 outstanding sons and daughters that sell in this sale. Owned by Gallatin Farms.

AT WORK

Take A Look . . . at these ranch results

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess—he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Avg. Weaning Weight	Total Pounds
Shorthorns	47	330 lbs.	15,510
Polled Hereford	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality beef. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of crop by using Shorthorns.

KAR-BURN WARSHIP - Sired by Hickories Battleship, who sired the winning Senior and Junior Get of Sire at the Wisconsin State Fair, 1963. Battleship's full brother, Hickories Dupont, sold for \$3250 this past fall at four years of age and weighed 2400 lbs. Warship certainly indicates all these qualities, as well as his illustrious breeding. We have used this bull and he is fertility & semen checked. Probably the best bull we have ever offered.

SHORTHORNS/POLLED SHORTHORNS CHECK THE RECORD

IN SALES

Why Shorthorns Are Profitable

Shorthorns have topped the Kentucky Performance Tests for **four consecutive years**. Shorthorns led Angus and Herefords in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age.

In the Virginia Feeder Sales Shorthorns out-grossed all breeds. Shorthorn steer and heifer calves averaged slightly more than \$130 a head compared with \$121.52 for Herefords and \$126.39 for Angus. Shorthorn yearlings also out-grossed the other breeds in this sale series.

Why not let a Shorthorn bull go to work adding more pounds and more dollars to your calf crop?
